“ Blas,
Even though I only knew you for a short time, I grew to love you and Amy as a brother and sister. I know your brother, David, misses you every day. Not one day goes by that he doesn't mention your name. Thank you for the good times you shared with him/us and with all of your help and knowledge helping David around the house. He learned a lot from you. May you now rest in eternal peace with your loved ones who went into our Lord's arms before you.
