“ I remember during the Christmas holidays my tia would always make a batch of cookies for my dad, her little brother. They were his favorite cookies and he would look forward to that batch of delicious homemade cookies my tia would make with love for him. My tia is now in heaven with her little brother again. Miss both of you... :(

“ Thank you on behalf of our family. Mom loved all her brothers and sisters, nephews and nieces. She saved pecans all year to make the cookies for every one. We will miss them. Thank you cousin.

“ My mom was such an amazing caring gentle honest sweet loving mom. She never got mad at me never hit me never yelled at me either. She treated us with respect because she said we were little people with feelings too. She was so patient with me and my brothers. She was always singing and humming hymns. She would sit in silence and read the bible daily just like my grandma. There's so so many wonderful memories I have of my mom. I miss her so much every day butt I know she's not in pain anymore and she's happy in heaven <3

“ My beautiful Tia. You're so beautiful inside and out. Words can't even begin to express how loving, caring and thoughtful you always were. I will always remember that about you. And the good pastries and cakes you would make. Always so soft spoken and so understanding that you were. I know you're in heaven rejoicing with Grandma so that brings great comfort to my heart. Love you always SANDRA G RIVERA

“ If Roses grow in Heaven
Lord, please pick a bunch for me.
Place them in my Mother's arms
and tell her they're from me.

Tell her that I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.

Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.
