“ Eric, you gave always been full of joy, laughter and strength. You came into our lives and loved not only my daughter Ashley but you loved Adrianna. You always loved her. When Antonio came into our lives, we knew he would carry on your craziness. From the time he could walk he would imitate your singing and your free spirit. Watch over them from heaven as Don, Ashley, Candice and I will always make sure they never forget how wonderful of a father and man you were. Rest in Heaven Mijo. Until we meet again.
