“ Linda, it hurts so bad but my memories with you were always so beautiful because you made everyone feel at home no matter where we were at but when we were at all together at your home you made such amazing meals and everybody did their part and you make me feel like a queen because of my cancer you just felt like I couldn't do nothing so you wanted me to be just sitting down and you serve me and you gave me water and let me be by myself watching the kids swimming in the swimming pool I never saw you complain about nothing I never even knew you were sick with minor stuff, because you were always happy and the family just follow ur step, too anyone that knew any of y'all was lucky to be part of your family we will always forever be in my heart and I know that we will meet again until then rest in

peace and I know that the glory of God is taking care of your family I love you beautiful

“ Such a beautiful woman of God. Always so hospitable to my daughters and I. She possessed such class and sophistication, definitely admirable. It brings me so much joy in knowing that she is finally home, living life in her miraculous castle where we all long to be. May her beautiful soul rest in God's kingdom and watch over us all.
