“ Lord,
At the moment nothing seems to be able to help the loss The Lozano Family feels.
Their hearts are broken and their spirits mourn.
All I know is that Your grace is sufficient.
This day, this hour
Moment by moment
They choose to lean on You,
For when they are at their weakest Your strength is strongest.
They pour out their grief to You
And praise You that on one glorious day
When all suffering is extinguished and love has conquered
They shall walk together again.
Our thought & Prayers with you,
Love,
Tyler, Patricia & Rudy

“ My sympathies to the Lozano family. I may not have known Margarita, but as a long time coworker of her daughter,Martha, to raise such a beautiful,caring daughter is a tribute to what a wonderful mother and person she must have been. She will live on in each and everyone of you.

“ Mr. Lozano: My deepest condolences to you and your entire family in the loss of Mrs. Lozano. While I never met her, I got to know what a beautiful woman she was through all the stories Martha would tell us. We always looked forward to Martha bringing one of the special cakes to work. May all the wonderful family memories fill your hearts in the days ahead. Martha: on a personal note- I know this is a terrible loss for you. Take comfort in knowing you were an incredibly loving and caring daughter and your mother's strength and love will be with you all the days of your life. Rosemarie Ritchie
